

CORONAVIRUS PANDEMIC **COVID 19 EMERGENCY**

The Daare Arqam Trust would like to announce with great sadness that we are closing the doors of the Mosque for all activities including Daily Prayers from immediate effect; Monday 23 March 2020 until further notice.

This is as per guidelines from Government and Department of Health Ireland on mass gatherings to prevent the spread of Coronavirus infection. Health and Safety of people are paramount.

We kindly request all of you to pray at home. May Allah Almighty remove this dangerous infection from our city, country and the globe in general. Ameen.

Thanks and jazakumullahu khairan for your kind co-operation.
